THIS SUNDAY

LIFE MEMBERS DAY

Hello Splashers

CITY TO SURF - Life Member's Day. This Sunday, as you know, is Life Members Day which we celebrate each year on City to Surf Day. It is always an achievement becoming a life member, so we hope you can make it down to celebrate their day. For those who are running the City to Surf, we encourage you to keep your running shoes on for that little bit longer and keep heading round to Bronte - we'll throw you in a race and you're still eligible for 100% participation and the \$5.00 refuelling session in the park!

WSAA National Titles:

Western Australia Sunday 15 June. Entries due 31 August. If any Splashers intend on going, please let me know.

GALA DAY:

Gala Day Sunday 15 September. We are excited. We are going to invite Clubs to put together relay teams - so if you swim with a group or a squad or a water polo team etc, let me know if you want to register a ten a side team (also to help with catering for our afternoon of fun in the park)

18 August - Visit to Clovelly Eskimos! Splashers will run as usual in the pool and then we will have a walking bus down to Clovelly to compete in the second annual Bruce Sinclair Shield Trophy event!!! They are putting on a bbq in their boat shed for us....seems they think we are better suited for a shed than a club...they could be right.....

CLUB CHAMPIONSHIPS:

We have settled on a date - the first day of Spring 2013 - Sunday 1 September so start training now.

PROTOCOL:

When we run 60/30 metre braces, for future reference, the brace members have to swim the same leg each time if you make it through to the semi's and the finals. Otherwise, it mucks up the handicap. And you break time. And don't win. BUT you don't lose a second as no one knows which brace partner broke!
