## The rain, the rain, so much rain

Thanks to **THE POWER BROTHERS** for their loyal support and sponsorship.

Turned out to be a soggy old morning but came good just in time for the 90's. Despite the rain, we've managed to fill around 5 heats. Even if it meant we had to enter **Archie** (Paul Plessum's dog) into the 30 metres).

Thank you **Margaret Ryan** for the amazing Pea and Ham soup that was the perfect antidote for a cold morning on, oops, I mean in the water...so seafaring these days.

Thank you **Will** and **Sylvie** for the Gluewein! Another perfect match for the weather and enough to make the boat shed feel like Aspen Apres Ski!

Its terrible to have missed out on Splashing for two weeks in a row....and to have busted my cruciate ligament in the process... but c'est la vie.

### EASTERN SUBURBS LEGION CLUB DAY
